# Pedaling the Peninsula - 360 Trails

#### **Sunday April 24th**

#### **Pre-Ride**

We recommend that all riders pre-ride the course, ride with others and wear your race plate (this is how we identify riders in case of emergency.)

Saturday pre-ride will be from 2:00 PM - 5:00 PM, and on race day (Sunday) from 7:30 AM to 9:00 AM.

All girl riders are invited to a #girlboss group ride of the course on Saturday starting at 4:00 PM, meeting at the WSCL registration tent.

Only registered students and coaches may pre-ride.

#### **Race Plates**

In order to pre-ride, head coaches must pick up their teams race plates on Saturday before hand. The registration tent will be open at 1 PM on Saturday the 23rd.

### **Neutral Support**

Neutral support is brought to you by Trek Bicycle Tacoma! Neutral support mechanics will be on hand to provide free mechanical assistance for any student-rider with a bicycle emergency. Student-riders are expected to come to each race with a fully functional, race ready bicycle.

#### **Parking**

Parking at the 360 Trails is very limited. We have allocated as much space as the park will allow for parking, but strongly encourage teams to carpool or park at nearby shopping centers and drive to the race together. If we do that, we will have enough spots for everyone.

# **Volunteer Sign Up**

Please volunteer! It takes lots of support to make a race happen! You can find the volunteer sign-up here: <a href="https://www.signupgenius.com/go/10c0a48afa828a1fc1-race1">https://www.signupgenius.com/go/10c0a48afa828a1fc1-race1</a>

#### **Camping & Lodging**

We were not able to obtain accommodations for all team camping, but there are a various campsites nearby for individuals.

## **Other Important Notes**

Dogs are allowed around the race, as long as kept on leashes. **No drones.**
