

Galbraith Mountain Relay!

Sunday June 11th 2023

Random Relay Teams

This is our first ever relay race! We are excited to try something new, and allow riders from all over to be on a "team" together. The race begins at 10 am, and each rider will have an opportunity to ride a minimum of one lap. Each team will ride as many laps as possible in the four hour period, from 10am - 2 pm. Bike swaps and outside assistance are allowed for all riders.

Pre-Ride

Saturday from 2:00 pm to 5:00 pm and on relay day from 7:00 am to 8:30am. Girl Boss Ride Saturday 3:00 pm at GB Flag.

Neutral Support

Neutral support this spring will be provided by local Trek stores across the state. Gabby W. with Trek Bicycles Bellingham will be on site at Galbraith. Neutral support mechanics will be on hand to provide free mechanical assistance for any student-rider with a bicycle emergency. Student-riders are expected to come to each race with a fully functional, race ready bicycle.

Camping

Camping through Camp Lutherwood is full. There are multiple events happening this weekend, so if you have yet to find accommodations, do so soon! The trails are not too far from downtown.

Coaches Race

The coaches race is double the fun this year with two laps! This will start right after the relay ends at 2 pm, grab one of your riders race plates, and go to the results tent to sign up with the race plate number.

Volunteer Sign-up

We wouldn't be able to put our races together without the ample help from volunteers. We need 54 volunteers this race to meet our needs and the parks requirements! Please visit our sign-up [here](#). This is your last chance to get gripit gloves as an all-star volunteer!
